physicians

\$1.4 billion

community benefit

Strategic Rationale

- **Address a Behavioral Health Gap**
- **Effective Outpatient Care Model**
- **Clinical Outcomes and Improvement**
- **Financial Structure and Accessibility**

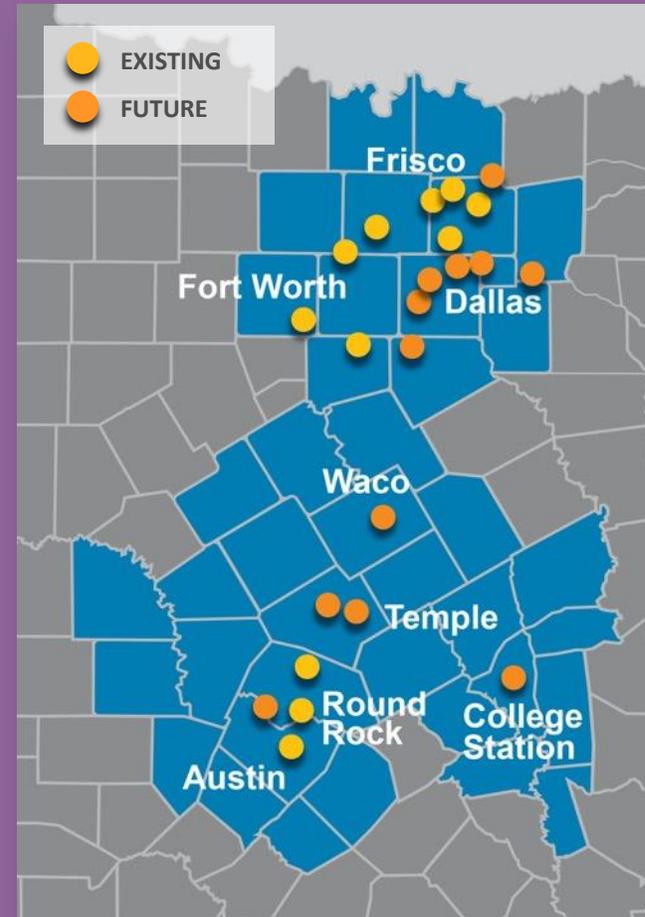

Expanding mental health services

DIFFERENTIATORS

- 24/7 provider access
- Same-week appointments
- Accepts private insurance, Medicare and Medicaid
- Team-based, psychiatrist-led care
- 78% experience clinical improvement in five months

ALIGNMENT AND IMPACT

- Epic integration—referrals now live
- Founded on the belief that *“affordability is just as important as availability”*
- Whole-person care: physical + virtual support
- Initial focus on referrals from primary care practices

EXPLOSIVE GROWTH

- 13 existing sites: Dallas, Austin, Houston, Leander
- 10 new sites planned: Including DFW, Central TX and Katy
- Expanding reach to underserved communities
